

Risk v Northern Territory [2006] FCA 404

<http://lawcasesummaries.com/knowledge-base/risk-v-northern-territory-2006-fca-404/>

Held

- It is insufficient just to examine what Aboriginal culture was ‘then’ and ‘now’ without any consideration of whether the culture has advanced
- It’s not necessarily fatal to native title that a group has not been physically present, but they may struggle to demonstrate a continued connection to the land.
